BAND PRACTICE RECORD RULES AND PROCEDURES

Dear Parent/Guardian: Please help your child remember to practice, keep up with this form and to get this form signed on Wednesday evening. Please remember that practice records are part of the homework component of the grade that accounts for 10% of the final grade. Students who do not turn in practice records may be in danger of a lowered grade.

On Time:

- Practice records **must be signed** by parent/guardian each week and turned in on the due date (**Thursdays**) to receive full credit and any extra credit for extra practice.

Late Penalties:

- Late practice records lose points and **will only be accepted one day after the due date** with a 10 point deduction.
- A "50" for practice records turned in unsigned.
- A "0" for practice records not turned in.
- No practice records will be taken after the Friday after the Thursday due date.

Students who were absent on the due date must turn in the practice record on the first day back to earn full credit.

- Students and Parents/Guardians, please familiarize yourselves with the practice record and how to fill it out
 - Students:
 - Circle the period you are in band class
 - Circle your grade
 - Fill in your first and last name so I can read it
 - Enter the *minutes* you practice in each column. Entering times in *minutes* will make it much easier for you to add the times later. Also, it is important to fill in zeros on the days you do not practice
 - Fill in the total of minutes in the total column
 - Ask your parent/guardian to sign to verify your practice
 - Turn the form in on the due date (usually Thursday)
 - Parents/Guardians:
 - Please be aware of how much your child practices
 - Review the practice record before you sign it
 - Sign the form in the column next to the due date. **Please do not sign for future weeks ahead of time.**
 - Please leave the grade column blank: I will fill in the column labeled *grade*
 - Remind your child to take it to school to turn in on Thursday
 - Look at the previous week's grade to assure that it was turned in
 - **If you are not asked to sign the practice record by Wednesday evening, please ask for it?**
